

US – Israel War on Iran & Cease Fire? What's Real? What's Next?

**Thursday, August 6 - 7:00 PM
Des Moines Valley Friends Meeting
4211 Grand Ave. Des Moines**

**PowerPoint and discussion with
Jeffrey Weiss**

Strait of Hormuz Vital Global Chokepoint

Length
167 km

Narrowest width
33 km

Daily oil flow
**20 million
barrels**
(Q1 2025)

27%
of global
maritime oil
trade

Jeffrey J Weiss will present a PowerPoint and lead a discussion addressing US–Iran historical relationship, and Israel's role in that history.

Explore:

- How did the US get to Feb. 28 when US & Israel started this war against Iran?
- How did Lebanon become part of the war?
- What does this "Ceasefire" or "Memorandum of Understanding" mean for the future?

Jeffrey Weiss is a CPM board member and teaches Political Science at Des Moines Area Community College and Grand View with an emphasis on international law and human rights.

Presented by Circle of Peace Makers and DM Valley Friends Meeting
